SELECTMEN'S OFFICE.

TOWN OF HULL, MASS., July 6, 1904.

DEAR SIR:—

The AMERICAN TRACKLESS TROLLEY COMPANY of Boston, Mass., having filed an application with the Board of Selectmen of the Town of Hull for permission to set poles and string wires thereon, for the purpose of conducting electric current to furnish power for operating their trackless trolley coaches upon the highways known as Nantasket Avenue and Nantasket Road, between a point at or near the head of the steamboat wharf at Nantasket and over Nantasket Avenue to Nantasket Point, so called. You are hereby notified that a hearing will be had thereon before the said Board, at the Engine House, Atlantic Avenue, Hull, at four o'clock P. M., on the *seventh* day of July current, at which time and place all parties interested therein may appear and be heard.

Signed,

John Smith

Selectmen,
Town of Hull,

James Jeffrey

Massachusetts.

Meeting of July 11th 1904

A hearing was given at Otis House, Nantasket at 4 o'clock P.M. on the petition of the American Trackless Trolley Company for permission to set poles and string wires thereon, for the purpose of conducting electric current to furnish power for operating their trackless trolley coaches upon the highways known as Nantasket Avenue and Nantasket Road. Mr. John Smith and James Jeffrey, persons

A. B. Upham, President of the Company, appeared for the petitioners and explained the workings of the system, there were no remonstrants present, decision being secured for purpose of concurring with Mr. Salasio, ^{the other} member of the Board.

Meeting of July 13th 1904

A meeting of the Selectmen was held at the Electric Light Plant on above date the full Board being present, when it was
Voted To grant to the American Trackless Trolley Company the location to set poles and string wires thereon as asked for by them on Nantasket Avenue and Nantasket Road between Nantasket Point and Wharf Avenue, Copy of grant follows.

An Order

Granting the petition of the American Trackless Trolley Company for the right to erect and maintain poles and wires upon Nantasket Avenue and Nantasket Road in Hull, Mass., for the purpose of constructing and maintaining a Trackless Trolley system of Transportation.

After due notice and public hearing on the petition of the

American Trackless Trolley Company for the right to erect and maintain poles and wires on Nantasket Avenue, beginning at Wharf Avenue and extending North to Nantasket Road and thence Westward along said Nantasket Road to Nantasket Point for the purpose of constructing and maintaining a Trackless Trolley System of Transportation thereon it is hereby

Ordered and decreed by the Selectmen of said Town of Hull that permission be and hereby is granted to said Company to attach suitable arms or brackets upon the Town Electric Light poles along the Westward side of Nantasket Avenue from Wharf Avenue to Nantasket Road and to erect poles on the Southern side of Nantasket Road and to attach suitable arms or brackets thereto and to hang or string all such wires upon the said arms or brackets as may be necessary or proper in the premises; but all such arms or brackets shall be attached to said poles at such a height as will maintain said wires at every point of suspension not less than eighteen feet above the surface of the street. All said poles erected by said Company shall be subject to the approval of the Selectmen and all poles erected by said Company and all brackets and wires and other fixtures shall be maintained at all times by said Company in good order and condition and shall at all times be subject to removal or alteration by the Board of Selectmen then in office.

As compensation to said Town of Hull for the use of its poles on Nantasket Avenue the Company shall pay to the Town the sum of Thirty-four ⁵⁰100 Dollars per year, payable the first day of August in each and every year, in the nature

of rental therefor.

And whereas the location and permission herein contained has been granted by the Board of Selectmen upon the representations made by said Company that said Trackless Trolley System of Transportation is safe and that it can be done without unduly interfering with the ordinary use of the highways over which it is operated, it is

Further ordered and decreed that the same are granted upon the further condition that if the Board shall upon trial become satisfied that such is not the fact or that for any reason the interests of the Town of Hull demand a removal of said poles, brackets and wires erected or placed by said Company, or if said Company cease to operate its system therein during any Beach Season then upon written notice either with or without a hearing upon the matter, they may revoke said location and permission and thereupon the said Company shall at once remove said poles, brackets and wires, and failing to do so for the period of five days after the receipt of such notice the Board of Selectmen then in office may by themselves or their agents move or cause to be removed all such brackets, poles and wires at the sole expense of said Company.

This order of location and permission is upon the further condition that the said Company by accepting it assents to all regulations, provisions and conditions of same.

Witness our hands at Hull the Fifteenth day of July 1904
